Top local chefs unite for signature event

SPECIAL TO FLORIDA WEEKLY

Quantum House celebrates its 25th anniversary and gets ready for its most popular fundraising event.

“Culinary Creations,” presented by Patriot Growth Insurance Services, brings together some of the region’s top culinary talent in support of Quantum House’s mission to provide a home away from home for families with children receiving medical treatment in Palm Beach County.

The evening, led by Jeff Simms, executive chef of banquets at The Breakers, will feature tastings and cocktail stations from top local chefs, along with a live auction.

“When you work in hospitality, caring for people is at the heart of everything you do,” says Simms. “Supporting Quantum House brings that to life in a meaningful way. This event allows us to come together as a culinary community and give back to families who need it most.”

The lineup includes talented chefs from The Breakers, The Breakers West Country Club, The Crane Club at Tesoro, Echo Palm Beach, Delray Dunes Golf and Country Club, Stonebridge Country Club and Wycliffe Golf and Country Club.

“Our goal is to remove one of the

biggest stressors families face during a medical crisis – where to stay,” says Greg Quattlebaum. “During our 25th anniversary year, events like ‘Culinary Creations’
